

Berkel Gravity Feed Slicer

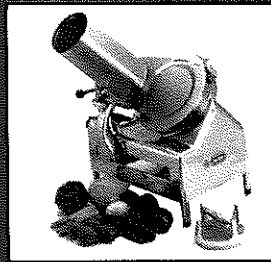

MODEL 808

There isn't a better performing Gravity Feed Slicer than the Berkel Model 808! A hollow ground stainless steel knife, a built-in dual action sharpener and easy glide product table combine to provide fast, better looking and longer lasting sliced product.

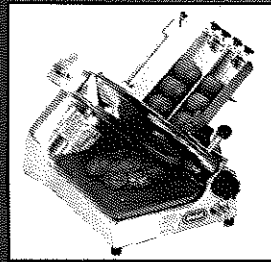

And should service ever be necessary, the 808, like all Berkel products, is backed by our nationwide service network.

- **Better Slices**—Gets the most out of your product.
- **Easy glide** and self return product table.
- **Hardened**, hollow ground and polished stainless steel knife.
- **Built-in dual action sharpener**—for a lasting, razor sharp edge.
- **All product contact parts** are stainless steel.
- **Easy to clean**—disassembles quickly without tools.

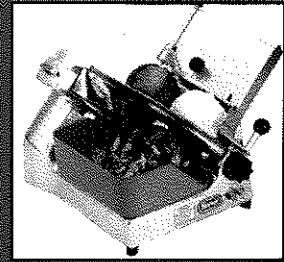

OPTIONAL ACCESSORIES

Vegetable Chute for quantity slicing of small size fruits, meats or vegetables.

Fence and Skewers for uniform crosscut of tomatoes, onions, peppers, etc. Receiving Tray or a Juice Cup to retain juices are available.

Slaw Tray in place to catch and carry small or irregular shaped products.

FEATURES

- 12 $\frac{1}{2}$ inch hollow ground stainless steel knife.
- Easy glide and self return product table.
- Slice Thickness Regulator—provides micrometer adjustment for slice thickness.
- Built-in dual action sharpener.
- All parts that come in contact with the product are stainless steel.
- Cast stainless steel meat pusher.
- All work area corners are rounded and joints are designed to prevent accumulation of bacteria.
- Fast, easy cleanup disassembly without tools—most product contact parts are submersible for wash basin or dishwasher convenience.
- Stainless steel gauge plate, knife center plate and meat table.
