Ordering Information

HP supplies can be ordered on the internet (www.suresupply.com), on-line through your printer software, or by calling an authorized reseller.

Return & Recycling

Please return your genuine HP supplies for recycling to HP. For more information, please visit us at www.hp.com/go/recycle

Note

* Approximate only; varies depending on types of documents printed and other factors.

** The printer indicates when a supply level is very low. Actual supply life remaining may vary. Consider having a replacement available to install when print quality is no longer acceptable. The supply does not need to be replaced now unless the print quality is no longer acceptable. Once an HP supply has reached "very low", HP's warranty on that supply has ended.

Fuser Kit
Order 110V-B5L35A, 220V-B5L36A

70%*
